

A Deep Look Into Golden Sun

A NARRATIVE REVIEW
BY TAYLOR KERR

Unsuccessful Element
**EXCESSIVE
DIALOGUE**

Great material and plot advancing moments are blended with trivial, long-winded conversations.

Strongest Element
**EVOLVING
WORLD**

A constantly changing world reflects Isaac's progress through the story, and the party can gain abilities that affect both story and gameplay.

Story Highlight
**SATURUS
FIGHT**

A difficult rematch with a once indefatigable boss reflects the party's growth both in and out of the battle system while tying into the story and advancing the plot to the next stage.
